

Look up the BNSF Marketing Contact by either Standard Transportation Commodity Code (STCC), Commodity Description, or Marketing Employee Name.

<http://domino.bnsf.com/website/stcc.nsf>

The Engine that **Connects Us**

Customer Contact Search

To determine the Marketing Contact for a commodity, please enter the partial STCC or commodity description.

Note - Hazardous materials are listed by actual STCC, not the DOT Haz code.

Please provide one of the following input parameters:	
STCC Number:	<input type="text"/> (1 to 7 digits)
Commodity Description:	<input type="text" value="copper"/>
Mktg. Employee Name:	<input type="text"/>

For Intermodal Marketing Contacts, please reference the [BNSF Intermodal Information Page](#).

For questions or modifications to the Marketing Contact Search Page, [please email us](#).

Results for a search of Commodity Description that contains “copper”.
